

SOCIAL EVENTS of the WEEK

Miss Violet Ramsey, daughter of Mr. Ramsey, of Shenandoah, Va., will marry Alfred R. Harwood, Jr., Saturday afternoon, April 18. The wedding will take place at a chapel in Prince George, N.J., with the Rev. Frank S. Harwood, uncle of the groom, officiating.

The bride's father will give her away, and her only attendant will be Miss Alice Harwood, sister of the groom. The groom's best man will be none of his friends, from Mr. D.N. J. where Mr. Harwood is stationed with the U. S. Army. Mr. J. C. Caldwell, brother-in-law of the groom, will render appropriate music.

Miss Ramsey graduated in Library Science from William and Mary College, Williamsburg, Virginia, and worked awhile in the library there. For several years she was librarian for the Appomattox County and School Libraries, and is now employed at Arlington, Va.

Mr. Harwood studied for two years at the Virginia Polytechnic Institute, and then accepted a position with the Appomattox Hardware Co., where he was serving as manager on October 15, 1941, when he was inducted into the armed services.

Mrs. A. R. Harwood and Mrs. J. C. Caldwell, of Appomattox, will attend the wedding.

DOFFLEMYER-McNALLY

Miss Ella Mae McNally, daughter of Mr. and Mrs. Thomas S. McNally, and Jacob Malcolm Dofflemyer, son of Mr. and Mrs. Thomas Dofflemyer, of Shenandoah City, Virginia, were united in marriage March 4, 1942, at 5 o'clock. The ceremony was performed at the home of the Rev. R. C. Collins, pastor of Fairview Heights Methodist church in Shenandoah. The bride wore a suit of beige tan with accessories to match. She wore a corsage of carnations and pink rose buds. Mr. Dofflemyer is a graduate of National Business College in Roanoke and has had two years at Lincoln Memorial University in Tennessee. He is now a traveling clerk for the Norfolk and Western Railway. Immediately after the ceremony, the couple left by way of the Skyline Drive for a short stay in Washington and Baltimore, where they plan to make their home in Shenandoah City, Va.

PHILIPS-BANTON

The South Amherst Methodist church, of Amherst, Virginia, was the scene of an interesting wedding Saturday, April 11th, when Miss Pauline Virginia Banton, daughter of Mr. Robert B. Banton, of the River, Virginia, and the late Mrs. Virginia Banton, became the bride of James Nelson Phelps, Jr., of Baltimore, Maryland, son of Mr. and Mrs. James N. Phelps, of Appomattox County.

The ceremony was performed by the Rev. J. J. Clark, using a very impressive ring ceremony. The paragon was beautifully decorated with spring flowers and white candles.

The bride wore a dress of powder blue with navy coat and accessories. Her flowers were a shoulder corsage of gardenias and Tallman roses. She was attended by Mrs. Binford T. Phelps, sister-in-law of the groom. Her maid of honor was her brother, Binford T. Phelps.

A wedding trip, and upon their return will make their home in Baltimore, Md.

PERSONALS

Mr. and Mrs. Cumble celebrated Mrs. Cumble's 76th birthday, with her daughter, Mrs. Mattie Garrett. Mrs. Cumble was born April 9, 1866.

James Garrett, of Lynchburg spent Sunday with Mrs. Mattie Garrett.

From where I sit...

By Joe Marsh

Remembering through my desk the other day, I came across some snapshots of friends of mine made back in 1935.

If you don't think time flies... if you don't think this world ever changes... you ought to look at the women's hats and dresses in those pictures taken 9 years ago!

It gave me quite a start... and then I set me to thinking... and remember! Lots of things were happening in 1933. A new administration in Washington, the turning point of the depression... and the coming of Roosevelt.

I remember the re-natalization of beer. It came before Prohibition, when Congress amended the old Volstead Act to allow legal sale of "23" beer.

What talk and arguments there were! One argument I remember well... was that beer would do a lot to bring back prosperity. I wondered at the time whether that argument could be proved.

The Why and How of Sugar Rationing

War is cutting off the supply of commodities the United States usually imports from other parts of the world. At the same time our war efforts are consuming greater quantities of these commodities than ever before. This has created a shortage of some vital products which all of us use. The first of these was rubber tires.

The second is SUGAR, of which we are using 20,000,000 pounds a month or 28,800,000 pounds a day. The shortage of rubber has caused the Government to restrict its use to purposes which are absolutely essential to the conduct of the war.

Third, sugar is required in large amounts for the men in our armed forces and for the manufacture of explosives. Fourth, (and this has recently become a serious problem) many short-sighted people have been hoarding sugar. They have bought more sugar than they needed, thus depriving their neighbors of sugar and hindering our war effort.

No retail sale of sugar will be permitted during the week beginning April 27, preliminary to consumer registration and issuance of W.A.R. RATIONING BOOKS NO. 1, between May 4 and May 7.

Sugar rationing assures two things... that the nation's war needs for sugar will be met, and that all the sugar available will go to their nearest GRADE SCHOOL and register for a W.A.R. RATION BOOK for each and every individual. Regardless of how much sugar you have on hand, register and get your War Ration Book. Later this same book may be used for other things the Government may have to ration!

Final instructions for the May 4 to May 7 Registration will be set forth in your local paper next week. In the meantime... there is no use to get excited or to grumble... if you really want to smash the Japs and crush Hitler, have confidence in Uncle Sam, and trust your Government to protect its citizens.

On May 4, 5, 6, and 7, the heads of households will go
